NEW AWARDS

THE MPG INSPIRATION AWARD

THE MPG INNOVATION AWARD

- ▶ This year, the MPG has introduced two new categories to recognise exceptional work in music production. The MPG **Inspiration** award will recognise an individual for an inspirational body of work over several years in UK music production, while the **Innovation** award will highlight someone whose work attempts to extend the boundaries of music production through innovative ideas and the creative use of technology. Both of these awards are in the gift of the Awards Committee and the winners will be revealed at the Awards show on February 7th.
